

18th Dr E Vaithilingam Memorial Scientific Session

The Imaging Conference – 2K19

March 9 & 10, 2019 | Sri V.D. Swami Auditorium, Sankara Nethralaya, Chennai

ORIGINAL RESEARCH

Scientific Paper Presentation

Guidelines

Presentation Duration

Presenters will be allotted 7 minutes for an oral presentation and 3 minutes for questions.

Preparation of Slides

A maximum of 20 slides is recommended so that the contents are delivered at an optimal speed. The slides should contain the title, authors and affiliation, brief background, aim and objectives, methodology, salient results, discussion and conclusion. References should be quoted at the bottom of the slides. Acknowledgements and conflicts of interest have to be mentioned at the end of the presentation.

Slide Format

All presentations should be prepared in MS PowerPoint. The presentation template **provided on the website** should be used for preparing the slides. Kindly ensure that legible font size is followed.

Submission of Slides

Presenters should email their slides in .ppt or .pptx format to evmemorial@snmail.org by 15th February 2019 before 5:00 P.M in the following format for the **file name and subject of the email.**

Abstract Number_Type of Presentation_Category of Presentation (Original Research)

E.g.: 18OR333_Paper_Original Research

Please note: Presenters will not be allowed to load their presentations at the venue. Only the presentations that reach us by the deadline will be considered for evaluation.

Scientific E-Poster Presentation

Guidelines

Presentation Duration

Presenters will be allotted 2 minutes for an e-poster presentation during their respective slot timings.

Preparation of Slides

The e-poster should contain the title, authors and affiliation, brief background, aim and objectives, methodology, salient results, discussion and conclusion. References should be quoted in the text and listed in the last section. Acknowledgements and conflicts of interest have to be mentioned at the end.

Slide Format

The presentation template and guidelines **provided on the website** should be used for preparing the slides. Kindly ensure that legible font size is followed.

Submission of Slides

Presenters should email their slides in .ppt or .pptx format to evmemorial@snmail.org by 15th February 2019 before 5:00 P.M in the following format for the **file name and subject of the email**.

Abstract Number_Type of Presentation_Category of Presentation (Original Research)

E.g.: 18OR333_E-Poster_Original Research

Please note: Presenters will not be allowed to load their presentations at the venue. Only the presentations that reach us by the deadline will be considered for evaluation.

CLINICIAN TO RESEARCHER

Paper Presentation

Guidelines

Presentation Duration

Presenters will be allotted 5 minutes for an oral presentation and 2 minutes for questions.

Preparation of Slides

A maximum of 10 slides is recommended so that the contents are delivered at an optimal speed. The slides should contain the title, authors and affiliation, brief background, case details, clinical findings, management, discussion and a take-home message. **The case presentation should also contain a potential research question.**

References should be quoted at the bottom of the slides. Acknowledgements and conflicts of interest have to be mentioned at the end of the presentation.

Slide Format

All presentations should be prepared in MS PowerPoint. The presentation **template provided on the website** should be used for preparing the slides. Kindly ensure that legible font size is followed. Ensure that necessary clinical images and photographs (without revealing the identity of the patient/subject) are present.

Submission of Slides

Presenters should email their slides in .ppt or .pptx format to evmemorial@snmail.org by the 15th February 2019 before 5:00 P.M by naming the file in the following format for the **file name and subject of the email.**

Abstract Number_Type of Presentation_Category of Presentation (Clinician-to-Researcher)

E.g.: 18CR133_Paper_Clinician-to-Researcher

Please note: Presenters will not be allowed to load their presentations at the venue. Only the presentations that reach us by the deadline will be considered for evaluation.

E-poster Presentation

Guidelines

Presentation Duration
