

**ESO completed "Manbumigu Mudhalvar Doctor Kalaignar Palli Sirar Kannoli Kappom Thittam"**

ESO completed its Vision Screening for the school children under the “Manbumigu Mudhalvar Doctor Kalaignar Palli Sirar Kannoli Kappom Thittam” in the Chennai Zones II III and IX. The school students were screened by the teachers for eye problems and those found to be having problems in vision were referred to optometrists. 1376 students were screened from the three zones and 278 needed glasses and 128 were referred for other eye problems. ESO is proud to have been part of this great unique Scheme.
